Ice Rink Fitted for Tubing

Volunteers are working daily to install Midway's new, permanent ice rink. This week volunteers, under the direction of Midway City Councilman Harold Remund, are installing tubing, wire mesh, and tying off rebar forming the three into a "sandwich."

6-18-03

THIS WEEK

in Wasatch County

Wasatch County Planning Commission

Proposed corrections and changes to the Wasatch County Planning Zoning and Development Code (Title 16) will be discussed at tomorrow's Wasatch Planning Commission work meeting.

The meeting begins at 6 p.m. and will be held in the Wasatch County Administrative Building at 25 N. Main St. in Heber City.

Other items on the agenda include a review of a request by T-Mobile to erect a telecommunications site north of Deer Creek Dam.

The commission will also discuss grading and construction of the Victory Ranch golf course.

U.S. 40 Roadwork

HEBER CITY

Students of seventh grade teacher Brent Burnham's student government class worked all year to fund and assemble care packages for soldiers serving in Iraq.

By the last day of school, the student's had assembled more than 200 care packages that they donated to the Adopt a Soldier program.

Local Army officer, Fua Tukuafu picked up the packages in a camouflaged

painted HumVee, which was a huge hit with the students.
